Terms of Service

1. The above E2E rates are rates per parcel, quoted in SGD (Singapore Dollars)
2. Parcels are charged based on parcel gross weight
3. Parcel's weight will be rounded up to the nearest weight break and charged its corresponding weight break (e.g. Parcel weighing 2.49kg will be charged the 2.5kg rate)
4. The above rates include the following services: pick up for 5 or more parcels, export clearance, airfreight, import clearance, and last mile delivery services
5. Additional SGD 5 (before GST) will be charged for each pick up with less than 5 parcels
6. Once a parcel is labelled, no readjustments of delivery address is allowed
7. If a parcel is rejected by the consignee/requires a change of address, the parcel has to be returned to our RTS warehouse and relabelled before it can be re-delivered
8. Weight and dimension limits are as follows: Up to 30kg; L+W+H < 300cm, each side <140cm. Parcels exceeding dimensions will automatically be RTS-ed
9. The above rates include 3 delivery attempts in Philippines
10. Standard free storage days: 14 calendar days
11. Parcels must not contain liquids, aerosols, gases, batteries, items with batteries, tobacco, alcohol, e-cigarettes, and/or adult items
12. High value parcels are defined as parcels above the De Minimis Value
13. There would be an additional storage surcharge of USD 0.20/kg per calendar day (based on gross or volumetric weight whichever is higher) should there be any customs clearance delays
14. There would be per hour waiting fees incurred if there are any delays to drop-offs at the destination warehouse of choice (waiting grace period: 30 minutes)
15. Ninja Van reserves the right to turnaround the truck and schedule delivery the next day if there are any delays to drop-offs at the destination warehouse of choice
16. Default vehicle turnaround charges: USD 100 per trip, Default overtime turnover charges: USD 50 per trip (applicable for turnarounds beyond office hours)
